

# An Interview with Adam Sharp A member of the Ohio Farm Bureau Association

The first picture I chose because it gave an example of the local farm bureau members giving an example about what they know on the farm.

The second picture I chose was of the house of representatives where most of the farm bureau members spend most of their time making decisions for the future of agricul

This picture is of local farmers giving a demonstration on their farm to local farm bureau members. luptati onsecte facinci et, commy nostio consequ isciduis
