Congratulations!

Congratulations to Madison Cordle (1st Attendant) and Haley Robinson (2nd Attendant) for representing our FFA Chapter, school, and community very well in the Miss Pumpkin Show queens contest this year! These ladies competed against 14 other contestants from Pickaway and Fairfield County. They will be representing the Pumpkin Show at multiple festivals and parades over the upcoming year. Congrats again to Madison and Haley!

Career Development Event Descriptions

Agricultural Communications

The purpose of the agricultural communications career development event is to excite and inspire students to develop basic skills relevant to the agricultural communications industry. Students will be equipped with strong communication skills and will have developed the ability to work collaboratively to effectively communicate and advocate for the industry of Agriculture.

Agricultural Issues Forum

The purpose of the agricultural issues forum is to present a current issue to a public audience; therefore, professional ethics and standards are to be considered. Ignoring truthful information, falsifying needed information, using unreliable sources and plagiarism are violation examples that could result in disqualification.

Employment Skills

The National FFA Employment Skills Leadership Development Event is designed for FFA members to develop, practice, and demonstrate skills needed for employment in the agriculture industry. Each part of the event simulates, as closely as possible, real-world activities that real-world employers use.

Job Interview

The Ohio Job Interview CDE is designed for FFA members to practice and demonstrate the skills needed in seeking employment in all areas of agriculture. Each part of this event simulates real world experiences that students will have when seeking employment in the future.
